To: Dolores Carpinelli <dcarpinelli@veronanj.org>

Good morning, 599 Bloomfield Ave New Cafe, change of use
Please make sure all required building permit applications are filled out properly and all NJ Licensed Architectural plans are submitted, (2 sets).
This is an existing building and a change of use so please make sure your Architect or Engineer uses N.J.A.C 5:23 (specifically, chapter 6), as the first reference and abides by all required codes, again this is a change of use.
The process will be completed much quicker if all appropriate information is submitted at once.
Thank you
