

#1: CIVIC CENTER PLAZA

Key Spot – Balanced & Iconic

Central location in the town's greenspace. Perfect visual balance allowing the monument to be visible from Bloomfield Avenue. Better perspective with a lawn panel fronting Bloomfield Ave. Encourages visitors to walk into the park. Not forcing the tree too close to the street. Ideal for photos and community events.

#2: MONUMENT MINI PARK

Cozy & Relaxed Atmosphere

More private and intimate setting. Reduces crowding in the main area.
Perfect for smaller gatherings and quiet enjoyment.

#3: FRONT OF EXISTING TREE

Traditional & Visible Choice

Similar location of the town's existing civic tree location. Keeps the same event flow while adding extra open space. Keeps the tree more visible from the main road.
