Hi Dolores,

Please accept these comments on behalf of Fire Chief Polisenio and myself.

The applicant must provide testimony on the following questions -

- What building code occupancy group is the building?
- What construction type is the building?
- What is the buildings height?
- Will the building be fully sprinklered?
- If yes to above, to what standard?
- Will the whole building have a fully monitored fire alarm system?
- What is the fire rating on the building materials?
- Will fire apparatus access be provided for the largest vehicle allowing it to turn around?
- Will access be provided on all sides of the buildings for ground ladder placement taking into consideration grade and property line setbacks?
- Where will the nearest 3 fire hydrants be located?
- What size main will those hydrants be on?
- Will there be any solar panels or back up generators on the property?
