ORDINANCE No. 2026-

**BOND ORDINANCE PROVIDING FOR IMPROVEMENT OF THE
MUNICIPAL POOL FACILITY IN AND BY THE TOWNSHIP OF VERONA,
IN THE COUNTY OF ESSEX, NEW JERSEY, APPROPRIATING \$100,000
THEREFOR AND AUTHORIZING THE ISSUANCE OF \$80,000 BONDS OR
NOTES OF THE TOWNSHIP TO FINANCE THE COST THEREOF**

BE IT ORDAINED BY THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF VERONA, IN THE COUNTY OF ESSEX, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring), AS FOLLOWS:

Section 1. The improvement described in Section 3(a) of this bond ordinance is hereby authorized to be undertaken by the Township of Verona, in the County of Essex, New Jersey (the "Township"). For the improvement or purpose described in Section 3(a), there is hereby appropriated the sum of \$100,000, including the sum of \$20,000 as a down payment for the improvement or purpose. The down payment has been made available by virtue of provision for down payment or for capital improvement purposes in one or more previously adopted budgets. No down payment is required as the purpose authorized herein is deemed self-liquidating and the bonds and bond anticipation notes authorized herein are deductible from the gross debt of the Township, as more fully explained in Section 6(e) of this bond ordinance.

Section 2. In order to finance the cost of the improvement or purpose not covered by application of the down payment, negotiable bonds are hereby authorized to be issued in the principal amount of \$80,000 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvement hereby authorized and the purpose for the financing of which the bonds are to be issued is the improvement of the Municipal Pool Facility involving the major repair of the main building and acquisition and as necessary installation of pool facility equipment, including related or incidental work or costs.

(b) The estimated maximum amount of bonds or bond anticipation notes to be issued for the improvement or purpose is as stated in Section 2 hereof.

(c) The estimated cost of the improvement or purpose is equal to the amount of the appropriation herein made therefor.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no bond anticipation note shall mature later than one year from its date, unless such bond anticipation notes are permitted to mature at such later date in accordance with applicable law. The bond anticipation notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with bond anticipation notes issued pursuant to this bond ordinance, and the chief financial officer's signature upon the bond anticipation notes shall be conclusive evidence as to all such determinations. All bond anticipation notes issued hereunder may be renewed from time to time subject to the provisions of the Local Bond Law or other applicable law. The chief financial officer is hereby authorized to sell part or all of the bond anticipation notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the bond anticipation notes pursuant to this bond ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the bond anticipation notes sold, the price obtained and the name of the purchaser.

Section 5. The Township hereby certifies that it has adopted a capital budget or a temporary capital budget, as applicable. The capital or temporary capital budget of the Township is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith. To the extent that the purposes authorized herein are inconsistent with the adopted capital or temporary capital budget, a revised capital or temporary capital budget has been filed with the Division of Local Government Services.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvement or purpose described in Section 3(a) of this bond ordinance is not a current expense. It is an improvement or purpose that the Township may lawfully undertake as a self-liquidating purpose of a municipal public utility. No part of the cost thereof has been or shall be specially assessed on property specially benefitted thereby.

(b) The period of usefulness of the improvement or purpose within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is 15 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Township as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$80,000, but that the net debt of the Township determined as provided in the Local Bond Law is not increased by this bond ordinance. The obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding \$20,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purpose or improvement.

(e) This bond ordinance authorizes obligations of the Township solely for purposes described in N.J.S.A. 40A:2-7(h). The obligations authorized herein are to be issued for a purpose that is deemed to be self-liquidating pursuant to N.J.S.A. 40A:2-47(a) and are deductible from the gross debt of the Township pursuant to N.J.S.A. 40A:2-44(c).

Section 7. The Township hereby makes the following covenants and declarations with respect to obligations determined to be issued by the Chief Financial Officer on a tax-exempt basis. The Township hereby covenants that it will comply with any conditions subsequent imposed by the Internal Revenue Code of 1986, as amended (the "Code"), in order to preserve the exemption from taxation of interest on the obligations, including, if necessary, the requirement to rebate all net investment earnings on the gross proceeds above the yield on the obligations. The Chief Financial Officer is hereby authorized to act on behalf of the Township to deem the obligations authorized herein as bank qualified for the purposes of Section 265 of the Code, when appropriate. The Township hereby declares the intent of the Township to issue bonds or bond anticipation notes in the amount authorized in Section 2 of this bond ordinance and to use the proceeds to pay or reimburse expenditures for the costs of the purposes described in Section 3 of this bond ordinance. This Section 7 is a declaration of intent within the meaning and for purposes of Treasury Regulations §1.150-2 or any successor provisions of federal income tax law.

Section 8. Any grant moneys received for the purpose described in Section 3 hereof shall be applied either to direct payment of the cost of the improvement or to payment of the

obligations issued pursuant to this bond ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are so used.

Section 9. The chief financial officer of the Township is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the Township and to execute such disclosure document on behalf of the Township. The chief financial officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Township pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the Township and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Township fails to comply with its undertaking, the Township shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Section 10. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Township, and the Township shall be obligated to levy *ad valorem* taxes upon all the taxable property within the Township for the payment of the obligations and the interest thereon without limitation of rate or amount.

Section 11. This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

AGREEMENT TO ARBITRATE ALL CLAIMS. READ THE FOLLOWING ARBITRATION PROVISION CAREFULLY, IT LIMITS YOUR RIGHTS, AND WAIVES THE RIGHT TO MAINTAIN A COURT ACTION, OR TO PURSUE A CLASS ACTION IN COURT AND IN ARBITRATION.

The parties to this agreement agree to arbitrate all claims, disputes, or controversies, including all statutory claims and any state or federal claims ("claims"), that may arise out of or relating to this agreement and the sale or lease identified in this agreement. **By agreeing to arbitrate, the parties understand and agree that they are giving up their rights to use other available resolution processes, such as a court action or administrative proceeding, to resolve their disputes.** Further, the parties understand that they may not pursue any claim, even in arbitration, on behalf of a class or to consolidate their claim with those of other persons or entities. Consumer Fraud, Used Car Lemon Law, and Truth-in-Lending claims are just three examples of the various types of statutory claims subject to arbitration under this agreement. The arbitration shall be administered by the American Arbitration Association under its Commercial Arbitration Rules, and the Consumer Related Disputes Supplementary Procedures to the extent applicable, before a single arbitrator who shall be a retired judge or an attorney. Dealership shall advance both party's filing, service, administration, arbitrator, hearing, and other fees, subject to reimbursement by decision of the arbitrator. Each party shall bear his or her own attorney, expert, and other fees and costs, except when awarded by the arbitrator under applicable law. The arbitration shall take place in New Jersey at a mutually convenient place agreed upon by the parties or selected by the arbitrator. The decision of the arbitrator shall be binding upon the parties. Any further relief sought by either party will be subject to the decision of the arbitrator. [If any part of this agreement, other than the waivers of class actions, and consolidation, is found to be unenforceable for any reason, the remaining provisions shall remain enforceable. If the waiver of class actions or consolidation is found unenforceable, this entire agreement shall be void.] In the event that any claims are based on a lease, finance, or other agreement between the parties related to this sale or lease as well as this agreement, and if such lease, finance or other agreement contains a provision for arbitration of claims which conflicts with or is inconsistent with this arbitration provision, the terms of such other arbitration provision shall govern and control. **THIS ARBITRATION PROVISION IS GOVERNED BY THE FEDERAL ARBITRATION ACT. THIS ARBITRATION PROVISION LIMITS YOUR RIGHTS, AND WAIVES THE RIGHT TO MAINTAIN A COURT ACTION OR PURSUE A CLASS ACTION IN COURT OR IN ARBITRATION. PLEASE READ IT CAREFULLY, PRIOR TO SIGNING.**

Hello Agnes,

Please be advised that the purchase order (P.O. 26-00821) in the amount of \$38,781.15 generated to Pumping Services Inc is being used to purchase parts from a sole supplier, Headworks Inc., which is located in Texas.

Pumping Services Inc is the designated representative of this company in the Northeast. I contacted Rapid Pump, as a second vendor and they would be obligated to purchase these parts through Pumping Services, as well as their perceived markup.

Please let me know if there are any questions.

Thank you for your help with this project.

Regards,

Joe

EXTENSION OF CONTRACT TERMS AND CONDITIONS**

**CERTIFICATION OF EXTENSION OF CONTRACT TERMS AND CONDITIONS TO MEMBERS
OF THE NORTH JERSEY WASTEWATER COOPERATIVE PRICING SYSTEM
AS LISTED ABOVE OR APPROVED WITHIN CONTRACT TERM**

Check here if willing to provide the goods or services herein bid upon to registered members of the North Jersey Wastewater Cooperative Pricing System (NJWWCPS) without substitution or deviation from specifications, size, features, quality, price, or availability as herein set forth. It is understood that orders will be placed directly by the registered members identified herein by separate contract, subject to the overall terms of the master contract to be awarded by the Passaic Valley Sewerage Commissioners, and that no additional service or delivery charges will be allowed except as permitted by these specifications.

Check here if **not** willing to extend prices to registered members of the NJWWCPS who have submitted estimates as described above. It is understood that this will not adversely affect consideration of this bid with respect to the needs of the Passaic Valley Sewerage Commissioners.

The procedure by which Contract _____ will be awarded in the event that the lowest responsible bidder, in the bid document, declines to extend prices to the registered members who submitted estimates is as follows:

The contract for the needs of the lead agency will be awarded to the lowest responsible bidder and new bids will be sought, and a master contract subsequently awarded with respect to the needs of the registered members who have submitted estimates.

Bid prices may be extended to registered members who have not submitted estimates prior to the advertisement for bids upon written approval of the lead agency and the awarded contractor.

Insurance certificates and performance bonds will be required as per the enclosed bid specifications.

GENERAL CONDITIONS

- a. The Contractor enters into this agreement with the full knowledge of the conditions and requirements of the specifications. The specifications, proposal, instruction to bidders, etc. will prevail in all cases over any conflict between the same and the General Conditions listed hereto.
- b. The Contractor agrees that during the entire term of the contract it will pursue the work faithfully and diligently and will, at all times, have the necessary sources of supply, labor, material and machinery necessary to complete the contract in accordance with the terms of the specifications.
- c. All work done under this contract shall be done to the satisfaction of the Engineer of P.V.S.C., or a P.V.S.C. Representative who shall in all cases determine the amount, quality, acceptability and fitness of the material and work which are to be paid for hereunder and shall decide any questions which may arise as to the fulfillment of this decision thereon shall be final and conclusive. The termination of the employment of the Contractor under the provisions of this paragraph shall not relieve the surety of its responsibility.
- e. All notices, demands, requests, instructions, approvals and claims shall be in writing. Any notice to or demand upon the Contractor shall be sufficiently given if delivered at the office of the Contractor specified in the bid (or at such other offices as the Contractor may from time to time designate to the Engineer or the PVSC representative in writing) or if deposited in the United States mail in a sealed, postage prepaid envelope, or delivered by telephone electronic/facsimile (FAX) transmission system. All papers required to be delivered to P.V.S.C. shall, unless otherwise specified to the Contractor in writing, be delivered to the office of P.V.S.C. at 600 Wilson Avenue, Newark, New Jersey and any notice to or demand upon P.V.S.C. shall be sufficiently given if delivered to the said office, or if deposited in the United States mail in a sealed, postage-prepaid envelope, certified mail, return receipt requested.

Alternative dispute resolution permitted by this section shall not apply to disputes concerning the bid solicitation or award process, or to the formation of contracts or subcontracts. In any civil action brought to collect payments pursuant to this section, the action shall be conducted inside of this State and the prevailing party shall be awarded reasonable costs and attorney fees.

- g. The Contractor shall not assign the contract or sublet it in whole or in part without the prior written consent of P.V.S.C., nor shall the Contractor assign any monies due or becoming due to it without the prior written consent of P.V.S.C..
- h. This contract, and all incorporations by reference together with the plans, specifications and bid documents, constitutes the entire agreement and understanding between the parties. This contract may not be modified, altered, abridged, amended or supplemented, except by written agreement executed by the parties.
- i. Neither the inspection by the Engineer or any agent or employee of P.V.S.C., nor any order by P.V.S.C. for the payment of money, nor any payment for, or acceptance of, the whole or any part of the work, by the PVSC representative or the Engineer, nor any possession taken by P.V.S.C. or their employees, shall operate as a waiver of any provisions of this contract, or of any right to damage herein provided, nor shall any waiver of any breach of the contract be held to be a waiver of any or subsequent breach. Any remedy provided in this Contract shall be taken and construed as cumulative, that is, in addition to each and every other remedy herein provided, and P.V.S.C. shall also be entitled as of right to a writ of injunction against any breach of any of the provisions of this contract.
- j. The Contractor covenants and agrees that anything in this contract or in the contract documents to the contrary notwithstanding, or regardless of any matter, thing, contingency or condition unforeseen or otherwise, present or future, the Contractor shall not be entitled to receive any additional or further sums of money than the amounts in said contract documents provided, except pursuant to a written change order duly authorized by a resolution of P.V.S.C.; and the failure of P.V.S.C. to insist upon strict performance of any of the terms, covenants, agreements, provisions or conditions in this contract or in the contract documents or any one or more instances, shall not be construed as a waiver of relinquishment for the future of any such terms covenants, agreements, provisions and conditions, but the same shall be and remain in full force and effect with power and authority on the part of P.V.S.C. to enforce the same or cause the same to be enforced at any time, without prejudice to any other rights which P.V.S.C. may have against the Contractor under this contract or the contract documents.
- k. Plans, specifications and the within contract shall be construed in accordance with the laws of the State of New Jersey.
- l. The Contractor shall not employ any subcontractor that P.V.S.C. may object to as incompetent or unfit; nor shall the Contractor subcontract to any person that has submitted a bid proposal for the award of the contract. Additionally, the Contractor shall not enter into any joint venture of any kind whatsoever relating to the within construction. - n. The Contractor will be required to comply with the requirements of all New Jersey Statutes affecting public contracts; more particularly, but not limited to, the provisions of the Statutes hereinafter recited. All statutes not referred to herein but required by law to be applicable to public contracts are incorporated herein as though fully set forth.

- p. Representatives of P.V.S.C. may have access to the work when it is in progress. Any inspection costs incurred by P.V.S.C. by reason of any breach or derelictions by the Contractor shall be chargeable to the Contractor.

q. Contractor shall indemnify and save harmless P.V.S.C. against any and all damages to property or injuries to or death of any person or persons, including property and employees or agents of P.V.S.C. and/or the Contractor, and shall defend, indemnify and save harmless P.V.S.C. from any and all claims, demands, suits, actions, or proceedings of any kind or nature including workmen's compensation claims, of or by anyone whomsoever, in any way resulting from or arising out of the operations in connection herewith, including operations of subcontractors and acts or omissions of employees or agents of Contractor or its subcontractors. Insurance coverage specified herein constitutes the minimum requirements and said requirements shall in no way lessen or limit the liability of Contractor under the terms of the contract. Contractor shall procure and maintain, at its own cost and expense, any additional kinds and amounts of insurance, which, in its own judgment, may be necessary for its proper protection in the prosecution of the work. Any and all policies of insurance maintained by the Contractor shall be primary without contribution from any insurance carried by PVSC.

r. Before final acceptance and final or semi-final payment by P.V.S.C., the Contractor shall deliver to the P.V.S.C. Representative a complete release of all liens arising out of the contract. Contractor agrees that at no time shall any municipal liens, mechanical liens, notices of intention, or secured instruments be filed against the work and should P.V.S.C. be compelled to remove or discharge a municipal lien, mechanic's lien, notice of intention or secured instrument, the Contractor shall reimburse P.V.S.C. for all costs.

s. P.V.S.C. shall pay and the Contractor shall receive as full compensation for everything furnished and done under this contract, for all loss or damage arising out of the nature of the work, or from the action of the elements, or from any unforeseen obstruction or difficulty encountered in the prosecution of work, and for all risks of every description connected with the work, and for all expenses and losses incurred by or in consequence of the suspension or discontinuance of the work, all in accordance with the terms and conditions of this contract.

t. The Commission may order, and the Contractor shall perform, extra work under this contract that is limited to the subject matter of this contract.

On any work done by the contractor, as ordered by the Commission in writing, which is not covered in the contract as defined in the contract herein the contractor shall be paid as extra work. Extra Work costs shall be arrived at as follows:

(a) By such applicable unit prices, if any, as are set forth in the contract; or

The vendor shall also forfeit his bid or performance security to the P.V.S.C. and will not be considered a responsible bidder for any future P.V.S.C. bids.

NOTICE TO ALL STATE VENDORS: SET -OFF FOR STATE TAX

Please be advised that, pursuant to L. 1995, c. 159, effective January 1, 1996 and codified at N.J.S.A. 59:49-19 and N.J.S.A. 59:49-20, and notwithstanding any provision of the law to the contrary, whenever any taxpayer, partnership or S corporation under contract to provide goods or services or construction projects to the State of New Jersey or its agencies or instrumentalities, including the legislative and judicial branches of State government, is entitled to payment for those goods and services or construction projects, at the same time a taxpayer, partner or shareholder of that entity is indebted for any State tax, the Director of the Division of Taxation shall seek to set off that taxpayer's, partner's or shareholder's share of the payment of that indebtedness. The amount set off shall not allow for the deduction of any expenses or other deductions which might be attributable to the taxpayer, partner or shareholder subject to set-off.

The Division of Taxation may initiate procedures to set off the tax debt of a specific vendor upon the expiration of ninety (90) days after either the issuance by the Division of a notice and demand for payment of any state tax owed by the taxpayer or the issuance by the Division of a final determination on any protest filed by the taxpayer against an assessment or final audit

determination. A set-off reduces the contract payment due to a vendor by the amount of that vendor's state tax indebtedness or, in the case of a vendor-partnership or vendor-S corporation, by the amount of state tax indebtedness of any member-partner or shareholder of the partnership or S corporation, respectively.

N.J.A.C. 18:2-8.3.

The Director of the Division of Taxation shall give notice of the set-off to the taxpayer, partner or shareholder and shall provide an opportunity for a hearing within thirty (30) days of such notice under the procedures for protests established under N.J.S.A. 54:49-18. No requests for conference, protest or subsequent appeal to the Tax Court from any protest permitted under N.J.S.A. 59:49-19 shall stay the collection of the indebtedness. Interest that may be payable by the State to the taxpayer, pursuant to L. 1987, c. 184 (N.J.S.A. 52:32-35) shall be stayed.

RESOLUTION No. 2026-

A motion was made by _____ ; seconded by _____ that the following resolution be adopted:

**CALLING FOR THE RESTORATION OF ENERGY TAX RECEIPTS
AND INCREASED MUNICIPAL AID TO PROVIDE
REAL PROPERTY TAX RELIEF**

WHEREAS, taxes on gas and electric utilities were originally collected by the host municipalities to be used for local purposes and to compensate the public for the use of their rights of way; and

WHEREAS, when the State made itself the collection agent for these taxes, it promised to dedicate the proceeds to municipal property tax relief; since, just as municipalities collect property taxes for the benefit of school districts, counties and other entities, the State is supposed to collect Energy Taxes for the benefit of municipal governments; and

WHEREAS, under various administrations through the years, the State budget has diverted funding from Energy Taxes to fund State programs; and instead of being spent on local programs and services and used to offset property taxes, the money has been spent as successive Legislatures and Administrations have seen fit; and

WHEREAS, while the State may need to have the right to override the statutory dedication of these revenues to local governments, in order to deal with emergencies and crises that may occur; current State policymakers should not exercise that right automatically; and

WHEREAS, while that right should be the exception, it has become the rule; and

WHEREAS, by keeping flat funding of the appropriation for CMPTRA year-over-year, State Budget makers have been able to continue collecting Energy Taxes, while keeping additional revenue that should have been returned to provide property tax relief; and

WHEREAS, in SFY 2023, the State did provide some much-needed relief in the allocation of \$75 million of new funds identified as the Municipal Relief Fund; and

WHEREAS, in SFY 2024, the State allocated \$150 million in Municipal Relief Funds, however, in SFY 2025 and, as proposed in SFY2026, no allocation will exist; and

WHEREAS, in the proposed SFY budget is \$60.7 billion, but Energy Tax Receipt funding is remaining flat at \$1.45 billion, a level that has remained largely unchanged despite inflation and rising operational costs; and

WHEREAS, the cumulative impact of years of flat funding and underfunding has left many municipalities with serious needs and burdensome property taxes; and

WHEREAS, local elected officials are in the best position to decide the best use of these resources that were always intended to fund local programs and services.

NOW, THEREFORE, BE IT RESOLVED, that the Township Council of the Township of Verona in the County of Essex, New Jersey hereby calls for the immediate restoration of funding of Energy Taxes consistent with the State's original commitments; increase formula based municipal aid to reflect inflation and rising service costs; and reestablish a fair and reliable fiscal partnership between the State and local governments.

BE IT FURTHER RESOLVED that a copy of this Resolution is forwarded to Senator Corrado, Assemblymember Barlas, Assemblymember DePhillips, the Commissioner of the Department of Community Affairs Jacquelyn Suárez, the State Treasurer Aaron Binder, the Lieutenant Governor Dale Caldwell, the Governor of the State of New Jersey Mikie Sherrill, and the New Jersey State League of Municipalities
