E-Bill Notification Authorization / Cancellation Agreement

Effective immediately, I hereby authorize the Township of Verona - Water/Sewer Utility to notify me quarterly of my water/sewer bill by use of "E-Bill Notification." The process will generate an email when my current bill is available for viewing on www.veronanj.org under the appropriate link. The current charges, usage, reading date, and due date will be available and this will be the only notification of billing I will receive. If payment is not received by the due date, reminder notices and/or shut-off notices will continue to be mailed to the address on file via the US Postal Service.

I understand that it is my responsibility to update my email and mailing address with the township whenever a change is made. Failure on my part to notify the township will in no way relieve me of the responsibility of paying the bill by the due date to avoid penalty and interest charges.

This authorization will be kept on file and remain in effect until the email address provided no longer accepts the E-Bills or the authorization is revoked by the account holder.
