HOW DO I APPLY FOR A MAIL-IN BALLOT? You must complete a [Vote by Mail Ballot Application form](#), which can be completed and printed. Vote by Mail-In Ballot Application forms are also available in-person at the Township of Verona Municipal Clerk's Office. You may also apply to the Essex County Clerk in-person by 3:00pm on the day before the election. The County Clerk cannot accept faxed or e-mailed copies of the Vote by Mail Application (unless you are an overseas voter, see below), since an original signature is required. Once your application is received and approved, the election ballot will be sent to the address indicated on your application.

HOW DO I VOTE BY MAIL-IN BALLOT? Your application for a Mail-In Ballot was approved and you have received a Mail-In Ballot. You will not be allowed to vote at your polling location. You must vote by Mail-In Ballot. The voter completes the paper ballot, places it inside the white envelope, seals the envelope and completes the required information on the envelope's flap. Do not detach the flap. Place the completed white envelope inside the brown envelope. Your mail in ballot can be easily deposited in the secure Ballot Drop Box located at the Verona Community Center – 880 Bloomfield Avenue until 8:00 pm on Election Night. The Ballot Drop Box is the best way to ensure your ballot is received by the County and on time. You can also mail it or deliver in-person to the Essex County Clerk's Office. Applications to request a Mail-In Ballot must be received by the County Clerk's office up to seven (7) days prior to Election Day.

WHERE CAN I FIND ELECTION RESULTS? Election results are tabulated and recorded by the Essex County Clerk's Office upon closing of polls on Election Day. The public may view [election results](#) as they are reported by election districts to the County Clerk's Office on Election Day.

FIRST TIME VOTER? Many people who have never voted are unsure of the voting process at the polls. A guide to the voting process in the Garden State is demonstrated in this step by step [informational video](#) produced by the Hall Institute of Public Policy in cooperation with the League of Women Voters of New Jersey.
