January 2019

Dear Resident:

Pet licensing of cats and dogs works to minimize the spread of rabies among both domestic and wild animals and to reduce the possibility of human infection. The New Jersey State Department of Health recommends licensing dogs/cats to regulate the mandatory rabies vaccination of this domestic animal, as well as help in controlling any free-roaming issues.

Dog licenses expire on January 31st. Please obtain your 2019 license in order to avoid a summons pursuant to §61A-5 of the Code of the Township of Verona.

Proof of rabies vaccination must be presented when applying for a license. The license fee is \$10.00 for spayed or neutered dog, \$13.00 for unsprayed or non-neutered dogs. Licensing is held at the **Verona Community Center 880 Bloomfield Avenue as of the FIRST of the year.**

ONLY A VETERINARIAN'S CERTIFICATE will be accepted as proof of **RABIES INOCULATION**. Without proper proof of inoculation, your application will be denied.

For your convenience, licenses can be issued by mail if a check payable to the TOWNSHIP OF VERONA, 880 Bloomfield Avenue, sent with the information requested below and a **SELF ADDRESSED STAMPED ENVELOPE** is enclosed.

Hours for licensing is 9:00 A.M. to 4:00 P.M. Monday through Friday.

Please contact the Health Department at 973-857-4800 if you have any questions.
