

# Teen Health Workshop!

## Cancer Prevention

May 2, 2019 from 6:30pm to 8:30pm

Verona Community Center

880 Bloomfield Ave., Verona, NJ

Please join the Partnership and the Montclair Health Department to learn more about the importance of immunizations and other healthy choices! There will also be brief presentations from expert speakers on preventing cancer in adolescents at 7pm and 8pm.

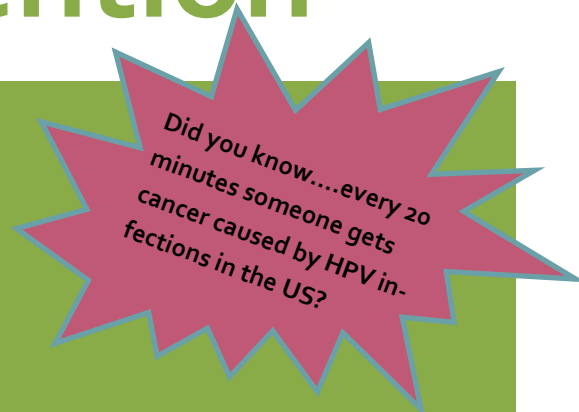

For more information, please contact:

Melinda Garcia

Public Health Programs Coordinator
