

**This is an example of a Level 1
Public Notice, as per requirements in accordance with
N.J.A.C. 7:22-10. 4 (d) 1, which states: "...The project sponsor shall publish a
notice in a newspaper of general circulation in the planning area within two
weeks of the date of the Department's decision statement. The notice must
describe the proposed action, indicate the decision by the Department to approve
the project, and advise the public that the project sponsor shall, upon written
request, make available for public review both the planning documents and the
Department's decision statement...."**

Public Notice

Township of Verona
Essex County, New Jersey
Verona Wastewater Treatment Facility Improvements Project
State Project No. S340533-06

In accordance with procedures established to evaluate projects that have applied for assistance under the New Jersey Environmental Infrastructure Financing Program (EIFP), a Level 1 environmental review has been conducted on the proposed project, which will involve the replacement and upgrading of the wastewater treatment facility's aging tertiary filtration and ultraviolet disinfection systems.

The New Jersey Department of Environmental Protection has made a preliminary decision to assist this project under the EIFP. The proposed project costs are as follows:

Proposed Project Cost: \$8,050,000

Proposed Loan Amount: \$8,050,000

Upon written request, the planning documents and the Department's Environmental Decision Document will be available for public review at the Verona Town Hall, 600 Bloomfield Avenue, Verona, New Jersey 07044. Contact Jennifer Kiernan, RMC, CMC, Municipal Clerk at (973) 857-4770 or jkiernan@veronanj.org.
