

# DECLUTTER YOUR HOUSE

**Donate gently used books to the  
Friends of the Verona Public Library.**

With the reopening of the beautiful Verona Library, the Friends of the Library are now accepting donations of gently used books for our Book Sales in 2019.

In addition to our annual Book Sale in December 2019, we have an ongoing sale in the lobby of the Verona Library near the Circulation Desk as well as smaller sales throughout the year.

The book sales are our primary source of fundraising in addition to membership dues. And proceeds go to support the fantastic children's, adult and teen programming the Library hosts throughout the year.

**Any members of the community that want to donate items for the book sales can enter at Gould Entrance, take the elevator to the lower level, follow the hallway, and drop your books off on the cart assigned.**

We especially need children's books. DVDs, CDs and video games are also accepted. We do not take textbooks, VHS or cassette tapes.

The Friends appreciate new members and volunteers for sorting and organizing throughout the year and at the book sales.

Please contact us at [friendsveronalibrary@gmail.com](mailto:friendsveronalibrary@gmail.com) if you have any questions or interest in volunteering.

Thank you for your support,

The Friends of the Verona Library
