Dear Mr. Sullivan:

The technical staff of the Essex County Planning Board has reviewed the submitted plans, prepared for the above-mentioned site improvement. It has been determined that at this time there is no identifiable impact on Essex County facilities that would occur as part of this proposed improvement. Therefore, an application to the Essex County Planning Board is not required.

All changes to the plans must be submitted to the Essex County Planning Board for further review and/or approval. If you have any questions, please direct them to me at dantonio@essexcountynj.org.

Sincerely,
