maintain confidentiality, to the extent possible, and be sensitive, compassionate, and respectful to the needs of persons who are victims of domestic violence.

The name and contact information of the designated HRO will be provided to all employees through the distribution of this policy.

#### Domestic Violence Reporting Procedures

Employees who are victims of domestic violence are encouraged to seek immediate assistance from their HRO. Employees who have information about or witness an act of domestic violence against an employee, are encouraged to report that information to the designated HRO, unless the employee is required to report the domestic violence pursuant to applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report, in which case the employee must so report to the appropriate authority in addition to reporting to the designated HRO. Nothing in this policy shall preclude an employee from contacting 911 in emergency situations. Indeed, HROs shall remind employees to contact 911 if they feel they are in immediate danger.

Each designated HRO shall:

- A. Immediately respond to an employee upon request and provide a safe and confidential location to allow the employee to discuss the circumstances surrounding the domestic violence incident and the request for assistance.
- B. Determine whether there is an imminent and emergent need to contact 911 and/or local law enforcement.
- C. Provide the employee with resource information and a confidential telephone line to make necessary calls for services for emergent intervention and supportive services, when appropriate. The HRO or the employee can contact the appropriate Employee Assistance Program to assist with securing resources and confidential services.
- D. Refer the employee to the provisions and protections of The New Jersey Security and Financial Empowerment Act, *N.J.S.A. 34:11C-1 et seq.* (NJ SAFE Act).
- E. In cases where domestic violence involved a sexual touching or sexual assault between employees, the HRO is also required to report the incident to their agency's EEO Officer hereby designated as the Township Manager.
- F. If there is a report of sexual assault or abuse, the victim should be offered the services of the Sexual Assault Response Team at 973-746-0800.
- G. Maintain the confidentiality of the employee involved, to the extent practical and appropriate under the circumstances, pursuant to this policy.

H. Upon the employee's consent, the employee may provide the HRO with copies of any TROs, FROs, and/or civil restraint agreements that pertain to restraints in the work place and ensure that security personnel are aware of the names of individuals who are prohibited from appearing at the work location while the employee who sought the restraining order is present. All copies of TROs and FROs shall be maintained in a separate confidential personnel file.

### Confidentiality Policy

In responding to reports of domestic violence, the HRO shall seek to maintain confidentiality to protect an employee making a report of, witnessing, or experiencing domestic violence, to the extent practical and appropriate under the circumstances and allowed by law. Thus, this policy does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General Directives and guidelines that impose a duty to report.

This confidentiality policy shall not prevent disclosure where confidentiality would result in physical harm to any person or jeopardize safety within the workplace. When information must be disclosed to protect the safety of individuals in the workplace, the HRO shall limit the breadth and content of such disclosure to information reasonably necessary to protect the safety of the disclosing employee and others and comply with the law. The HRO shall provide advance notice to the employee who disclosed information, to the extent possible, if the disclosure must be shared with other parties in order to maintain safety in the workplace or elsewhere. The HRO shall also provide the employee with the name and title of the person to whom they intend to provide the employee's statement and shall explain the necessity and purpose regarding the disclosure. For example, if the substance of the disclosure presents a threat to employees, then law enforcement will be alerted immediately.

This policy does not supersede applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General Directives and guidelines where mandatory reporting is required by the appointing authority or a specific class of employees.

### Confidentiality of Employee Records

To ensure confidentiality and accuracy of information, this policy requires the HRO to keep all documents and reports of domestic violence in confidential personnel file separate from the employee's other personnel records. These records shall be considered personnel records and shall not be government records available for public access under the Open Public Records Act. (See *N.J.S.A. 47:1A-10*).

In such case, any paid leave provided by the employer, and accrued pursuant to established policies of the employer, shall run concurrently with the unpaid leave provided under this subsection and, accordingly, the employee shall receive pay pursuant to the employer's applicable paid leave policy during the period of otherwise unpaid leave. c. Nothing contained in this act shall be construed to prohibit an employer from requiring that a period of leave provided pursuant to this section be supported by the employee with documentation of the domestic violence or sexually violent offense which is the basis for the leave. If the employer requires the documentation, the employee shall be regarded as having provided sufficient documentation if the employee provides one or more of the following:
