Tree Protection, Removal and Replacement Ordinance

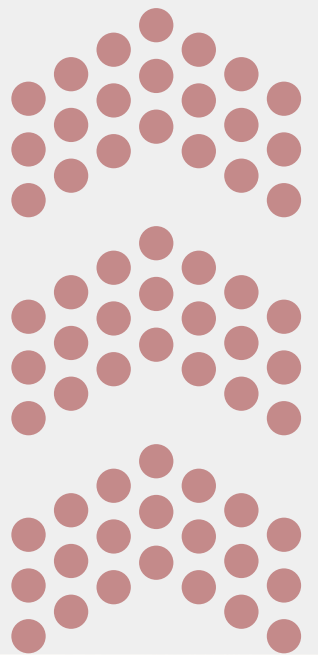

Verona, NJ Ordinance No. 2023-06

Let's Protect Verona's Trees

Ordinance Goal:

Regulate and control cutting of trees on private property and encourage property owners to preserve and build around trees when possible.

Why Should I care?

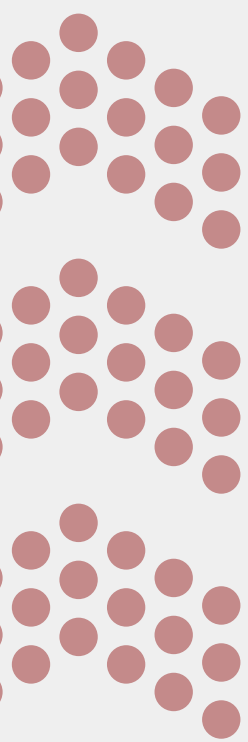

- Stabilizing soil to help prevent erosion
- Reducing stormwater runoff
- Purifying air and creating more oxygen
- Reducing noise pollution
- Increases property value
- Increases aesthetic value of your Town's appearance

What should I do?

- Apply for a permit if you are planning to remove, trim or destroy any trees on your property
- Once a permit application is received it will be evaluated for approval
- Ensure that your tree contractor is licensed in accordance with NJ Tree Experts and Tree Care Operators Licensing Act
- Ensure that your tree contractor is insured for both property and bodily damage
