Pursuant to Chapter 402 (Rent Control) of the Township Code, rent controlled units in Verona are defined as individual residential dwelling units within all buildings classified by the assessor as Class 4A (Commercial Property), Class 4B (Industrial Property), and 4C (Apartments), rather than to an individual tenant occupying a dwelling unit.

Exceptions to the above listed units include:

- (1) Dwelling units in buildings with less than four individual residential dwelling units.
- (2) Dwelling units which are landlord-occupied or which are permanently occupied by a member of the immediate family of the landlord of that building, however said units are still subject to comply with the registration requirements of this article.
- (3) Dwelling units for which the amount of rent is determined as a function of household income by a government program.

- (5) Dwelling units rented for the first time after the adoption of this article are exempt, and the initial rent may be determined by the landlord, but all subsequent rents shall be subject to the provisions of this article.
