The Verona Green Business Recognition Program recognizes and promotes local businesses that demonstrate a commitment to sustainability by instituting responsible environmental practices at their place of business.

To qualify as a Green Business you must implement at least 5 of the following criteria:

1. Turn off lights, computers and other office equipment on nights and weekends
2. Use a programmable thermostat or control during unoccupied times
3. Replace light bulbs with low energy LEDs
4. Use recycled paper products
5. Use environmentally friendly cleaning supplies
6. Recycle (business products as well as consumer waste)
7. Promote walking, biking or carpooling to work
8. Offer a wellness program to employees
9. Other Green initiatives specific to your business and industry
10. Purchase local material/foods regularly (Local = 5 mile radius)
